WELCOME

Hello everyone!

ROMEO & JULIET

A MODERN ADAPTATION

Welcome to Cowbridge Market Theatre, the home of Cowbridge Amateur Dramatic Society, and the current home of Stage Door 1 Youth Theatre.

Returning to rehearsals in a post-COVID world has been equally challenging and rewarding: we have all battled with constantly changing restrictions, hand sanitiser and disposable masks, yet here we still are. Stage Door 1 would not have survived, even going from strength to strength, without your support and care, and for this we thank you from the bottom of our hearts.

We have had an incredible couple of months working alongside the most talented, committed students Stage Door has ever seen; What we have seen them achieve throughout this rehearsal process has truly been incredible. Our students really are the best, and we're so, so proud of them.

When you see the performers after the show, please do congratulate them on a phenomenal job well done.

Thanks,
Ali & Kyle xxx

Plot

ROMEO & Juliet

A MODERN ADAPTATION

Romeo and Juliet is a love story for the ages, and in this modern adaptation, Shakespeare's classic play is re-told for a contemporary audience. Capulet and Montague's gangs have been enemies for as long as they can remember, and often find themselves embroiled in volatile arguments that neither refuses to back down from. Their feud is reaching a boiling point, and it seems that the best thing anyone can do is keep the two sides as far from each other as possible. But when Romeo, Montague's brother, crashes Capulet's Halloween party with his best friends, he falls head-over-heels in love with Juliet, who just happens to be Capulet's sister – and she falls just as in love with him.

Will these young lovers find a way to be together when their families and friends are so desperate to keep them apart?
